# The Vicar's Letter

The Vicarage, Waltham Road  
(corner of Foliejohn Way)  
Woodlands Park  
Tel. 07874 399411

Dear Friends of the Parish of White Waltham and Woodlands Park,  
As I write in early January, my children are just back to school and we just had a covering of snow. I'm guessing as you read this in February, that and the Christmas season etc are all a distant memory and we feel well into the new year!

At church we had a vision morning in November. We had a chance to look back and give thanks to our Father God for all that He has been doing in and through us; and then look forward and try to work out our Lord God's priorities for His church.

One of our three big priorities is to **love our neighbour with the Hope that God gives**. For our church family, 'our neighbour' means our geographical parish as well as those we work and live amongst. And **loving with Hope** means wanting to help practically, stand alongside, speak up for, as well as pointing people to their loving Father God for a life of acceptance, purpose and hope – now, and forever.

As always, we continue to keep the buildings and churchyard in a way that serves the community. We serve the children of our local schools by sharing God's story of love as a competing narrative to all that they will hear from various media. All our church services and most church events are open to the public – to everyone in our local communities and beyond; we see many visitors around Christmas but also at other times as people are moved to engage. We meet and listen with any who would like wisdom or comfort.

*(continued over)*

Looking forward, we are trying to grow relationships more, and we are trying to find out what sort of further loving service would be useful to our communities. With this in mind, we are relaunching our **toddler group** (*see page 9*). We also hope to run our **Holiday Club** for primary school children again on the mornings of Wednesday 1<sup>st</sup> to Friday 3<sup>rd</sup> April (*see page 6* – do save the dates), and we wonder about the possible usefulness of some sort of course or meetings to help with **managing money and budgeting**; or maybe training to do with other bits of **family life, parenting**; or starting a **bereavement group**. If you have any ideas, or would be interested in any of these, please do be in touch – we would love to have your feedback and involvement.

This desire to love our neighbour comes from the Lord Jesus who we follow, and who came for everyone. The simple nativity story includes the range of humanity; poor (smelly) shepherds, the visiting foreign wise men and an unmarried couple settling down amongst animals with a newborn baby.

And this theme grows through further Jesus stories. You have probably heard of the traitor taxman, Zacchaeus, who climbs down from his hiding place in a tree to be welcomed into friendship with Jesus; or the foreign-enemy and disreputable Samaritan woman who Jesus spends time with; and all the other marginalised, ill, crippled, young, and socially disadvantaged people that Jesus loves.

This message of Jesus coming for all has never been so counter-cultural – or so desperately needed. Jesus, God’s Son on earth, came to ‘seek and save the lost’; came ‘not to be served but to serve’; came not to pursue his own glory and use his awesome power for his own benefit, but to live and die as sacrifice for others. Jesus is the Saviour and Lord we follow, and so we ask God’s help to live lives of similar loving service.

We finish our series on the **Good News of Jesus** in February (*see page 11*) where we have invited questions and discussion as we all seek to grow in our understanding of God and what difference it makes to live for Jesus. We welcome questions, challenges and debates at any time because faith in Jesus has to make a difference at work, at home, and in all parts of life. I pray you will know the blessing of the love of God in Jesus.

# Woodlands Park Primary and Nursery School

*A place for everyone.  
Together, we are inspired to grow,  
learn and achieve.*

Everyone at Woodlands Park School would like to wish everyone in our community a very Happy New Year. We have started the Spring Term at Woodlands Park with icy cold mornings and flurries of snow. The children enjoyed the snow in the playground, and it was a special moment to see the joy experienced by the children having some wintery fun, despite the cold fingers and toes!

At the end of the Autumn Term, we celebrated Christmas with our Early Years and Key Stage 1 Nativity Performances. The children impressed us with their confidence on the stage and with their loud, clear voices. The Nativity performances are special moments that the children and families will remember forever. Our Christmas Fair, run by our PTA, was a success, with a wonderful selection of stallholders and lots of visitors through the door. Our Key Stage 2 attended a Christmas service at the church and the children returned to school, enthusiastic about the visit. Our Year 6 pupils also experienced the Christmas Unwrapped event, where they took part in lots of fun activities to explore the meaning of Christmas. This term, our PTA are organising uniform sales and an end of term disco to look forward to.

This week in the classrooms we have seen new topics and units of work launched, with some exciting classroom events. Our Foxes class arrived to discover that a mysterious visitor had been in the classroom. A trail of snowflakes and ice led them to the window, where an icy blast and a frozen crown had appeared. The room was cold and wintery with the sounds of winter all around and a frosty message had been left for them. Our Owls class had a delivery arrive in their classroom and they opened it to find a world map, alongside a suitcase. They unpacked the suitcase to discover a scarf, a winter coat and lots of other items that led them to finding out lots of information about The Arctic. The children were excited about their

learning and keen to share what had been happening in their classrooms with adults around the school. At Woodlands Park, we are focused on supporting the children to attain highly whilst also bringing joy to their days.

Over the last term, we have been considering our school vision and making sure that our vision is representative of our school and what we stand for. We have included staff, pupils, parents and governors in building our updated vision. We look forward to sharing this on our website later this term.

As we move into spring, we look forward to welcoming new starters at Woodlands Park. If you would like to have a school tour for new starters in Nursery or Reception or for in-year transfers, then please get in touch with the school office.

Best Wishes

# St Mary's Flower Guild, White Waltham

2025 was another very successful year for the Flower Guild, with several workshops and fundraising get-togethers. We welcomed new members and demonstrators and were grateful for them bringing new experiences and expertise to our group.

A special thanks to all those who helped to decorate the church at Easter, Harvest and Christmas. Your support has been much appreciated during the year and your efforts much admired by the congregation.

We will be holding more activities and events this year and always welcome new members. You don't have to be an experienced flower arranger to join us.

Here are some dates for your diary:

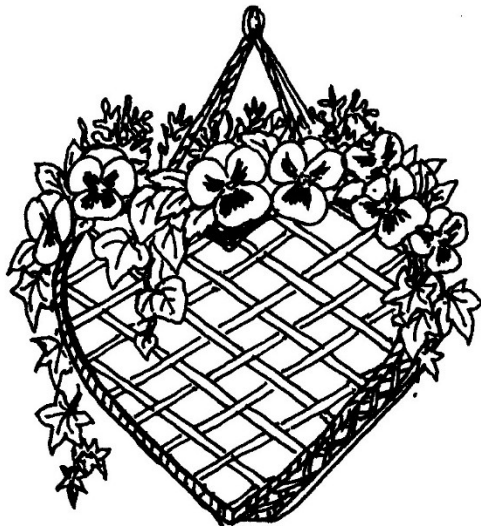

**Saturday 14th February at 10am in The Tree House** – Coffee Morning and short Annual General Meeting. An ideal opportunity to catch up in the New Year over coffee and cakes, to reflect on 2025 and to plan our activities for the coming year.

**Saturday 14th March at 10am** – a workshop in The Tree House for Mothering Sunday.

**Saturday 4th April from 9.30am** – decorating the church for Easter.

## Remove and Make Good

'Remove and make good' is often the instruction included in the specification given to the builder before he commences working on an older structure. Ancient, perished brickwork will need to be dismantled and disposed of before any new bricks are laid. Similarly, in our lives, old habits, old ways, may need to be cast off and forgotten if we are to make a fresh beginning – one acceptable to God.

'Repentance' is a word we often hear – 'repent and be saved'. Salvation might be considered as being synonymous with rescue – comparable with being pulled safely onto a boat in order to avoid drowning, which is what the disciples feared when their frail craft on the Sea of Galilee became swamped by the waves. We can imagine the sheer terror. Their appeal to Jesus, who lay sleeping in the stern of the boat, didn't go unheeded. They awoke him "Master, don't you care if we drown? To their utter amazement, he stood up and rebuked the tempest, which immediately became subdued. "Why are you so afraid?" He said, "Have you no faith?"

Salvation had come to the disciples, but they remained terrified. "What kind of man is this that even the wind and waves obey him?" Such a rescue can come to any of us if we are able to overcome fear and replace it with trust, thereby putting our life – our destiny – in His hands.

# White Waltham C of E Academy

We have had a wonderful start to 2026 here at White Waltham C of E Academy. The children returned after their Christmas break eager and ready to learn, and we began the term with immersion days for our new spring term topics.

**Foundation** enjoyed learning about the countries of India and China. They made comparisons between life in these countries and their own, linking their learning to stories and other resources shared in class. The children learnt about cultural traditions and celebrations from both countries and explored similarities and differences between the past and present by investigating how transport has changed over time. This helped them understand how people are now able to travel around the world. They also learnt about the famous Wright brothers and their first aeroplane flight in 1903.

**Year 1 and 2** had a very exciting start to the term learning about *The Frozen Kingdom*. The children learnt about Inuit history and culture, discovering how Inuit people lived in small groups and depended on hunting, fishing and gathering for survival. They explored how the Inuit adapted to the challenges of the Arctic environment including limited vegetation, snow and ice, and long periods of darkness during winter. They also learnt how the land and animals provided everything needed to survive such as food, fuel, and materials for clothing, shelter, tools and utensils. The children investigated Inuit technologies including igloos, kayaks, ulus (women's knives), quilliqs (small stone stoves used as a source of heat and light), fur clothing and toggle-head harpoons. They considered how Inuit communities were extremely resourceful and self-sufficient, making the most of what the land had to offer.

**Year 3 and 4** began their topic on Africa. In history, the children learnt about the Kingdom of Benin, which was located in modern-day Nigeria. They explored key features of the kingdom, including the role of the Oba (monarch), and learnt how Benin became an important trading nation, due to the exceptional craft skills of its people. In geography, the children studied the continent of Africa using maps, atlases and globes to locate and label the continent and its largest countries. They learnt that Africa is a vast continent with a wide range of climate zones and biomes, including rainforests and deserts, and explored a variety of African cultural traditions.

**Year 5 and 6** are learning all about *Shackleton's Journey*. In history, the children learnt about the famous explorer and sailor, Sir Ernest Shackleton, and the early 20th-century race to reach the South Pole. They discovered

how, in 1911, Shackleton set out on his expedition alongside Captain Scott, aiming to be the first to reach the South Pole. The children explored the many challenges faced by the expedition team including extreme cold, dangerous conditions and rivalry with fellow explorer, Roald Amundsen. In geography, the children learnt to locate and label Antarctica, the Arctic

Ocean, surrounding seas and countries using atlases. They compared the climate zones of Antarctica, the Arctic tundra and the UK, and studied human and physical features such as permafrost, glaciers, Mount Vinson, research stations and Inuit settlements. They also explored extreme weather conditions and used computer technology to plot and interpret data through graphs.

We currently have places available in a couple of year groups. If you would like to visit our school, please contact the school office on **01628 822533** or email **[office@whitewaltham.org](mailto:office@whitewaltham.org)**

# Children's and Youth Work at White Waltham Church

Children and young people are greatly valued and welcomed into life at White Waltham Church. Each Sunday morning, we run **three age-appropriate groups for children and young people aged 0–14**, offering a safe, welcoming space where faith can be explored in a fun and engaging way.

Children enjoy a mix of **games, Bible stories, discussion, and crafts**, led by our dedicated team, helping them learn about God whilst building friendships and confidence.

Over the Christmas period, our church children joined with children from White Waltham School to form a **Christmas choir**. They performed their song at two of our Christmas services singing with great gusto, doing actions and dancing along, to the joy of all those watching. It was a highlight and a great celebration of the talents and enthusiasm of our younger members.

Our young people also got stuck in with helping at our Christmas services and it was wonderful example of the whole church working together as a family, to love both God and our local community.

With the dawn of a New Year comes a new and exciting venture. We are thrilled to be launching “Little Lambs”, our **new baby and toddler group**, starting on **Wednesday 4<sup>th</sup> February**. Little Lambs is a relaxed and friendly space for parents, carers, babies, and toddlers to enjoy time together. There will be **play, singing and Bible stories**, as well as a chance for adults to **chat over a cuppa and cake**. The group will be held at **Woodlands Park Village Centre** on **Wednesday afternoons from 1.15pm–2.45pm**. The session is **free of charge** and everyone is welcome. *If you know of a local business who would like to sponsor this valuable community venture, please get in touch!*

We are always delighted to welcome newcomers of all ages to White Waltham Church. Whether you are visiting for the first time or looking for a church community to grow in, our church service and our children's and youth work offer a warm, fun, and faith-filled environment for all.

# Read this short story from the Bible...

## Bible Bite

A short story from the Bible

It can be read in the Bible in  
1 Samuel chapter 1

In the time before there were kings in Israel, there lived a rich man, Elkanah, and his two wives, Hannah and Peninnah.

Peninnah had children, but Hannah had none.

Each year they travelled to Shiloh to worship God.

After the worship, they feasted.

Elkanah always gave Hannah a special portion of food to show he loved her.

But Hannah was too sad to eat. She left the meal and went to pray.

She prayed silently.

Please give me a son. If You do, he will serve You all his life.

Eli the priest saw Hannah's silent weeping and praying and thought she was drunk.

I'm not drunk! I was just pouring out how I feel to God.

I'm sure God will answer your prayer.

Back home, Hannah had a son, and she named him Samuel.

She stayed at home with him when the rest of the family went to Shiloh.

When Samuel was old enough, Hannah and Elkanah took him to Shiloh to live there and serve God.

...and complete this Wordsearch about it!

# White Waltham Cricket Club

*Est 1879 and still representing the village today!*

## Happy New Year everyone!

We hope these icy days will warm up soon bringing us closer to the start of the 2026 cricket season.

Just before Christmas we found out that due to a reorganisation of the large (294 teams!!) Thames Valley Cricket League, both teams were being promoted for their excellent 4th place finishes last year. This means heading into the new season, we will ply our trade in Division 2A and 5A. This is the highest level of cricket that the teams have played and we look forward to the daunting challenge that lies ahead. This means a renewal of old rivalries with Binfield, amongst other good clubs!

Both teams and our junior section will be commencing indoor training, as always, in February and we very much look forward to the warmer days and getting outside in April.

Many thanks

*Jonny Mahoney*

# THE STAR

At Orient, I am the star -  
This, my journey, has brought me far.  
From boys' club leader, goal-scorer, feeder -  
Fans saw me raise the bar.

Born a star on Hackney Marsh plain  
I've earned cash, to lift me again;  
Star's not for ever, old age may sever  
Or till pain starts to reign.

Many skills to offer have I -  
Kick with both feet, reach headers high;  
Fans are praising, cheers are raising  
I'm the star, don't walk by.

My star to ponder, star so bright,  
Star who shines, day or night;  
Orient leading, now proceeding  
Lead me to the next height.

Football stars hope to move up club  
With their strong skills, above hub-bub;  
Their star is short; *this Star* isn't sport,  
It brings us to the hub.

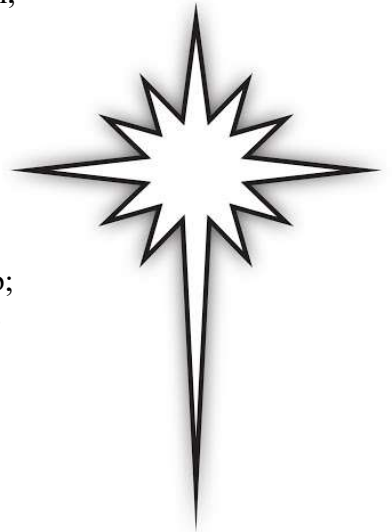

Men on camels stood in the gloom  
With studied charts, this Star a boom;  
Waiting, sighing, hoping, trying  
To believe – there was still room.

Their Star-led trip, for these men wise,  
To find their king, was no surprise;  
Along roads tough, some smooth, some rough,  
They reached their goal, their prize.

The Star just stopped at the household -  
The wise men gave incense, myrrh, gold.  
Wise men praising, heaven's joy raising  
Jesus, the Star foretold.

This Star to ponder, Star so bright,  
The Star who shines, through day or night;  
All folks leading, now proceeding,  
Guide us to your perfect light.

## My Story (part 5)

I want to show just how events in our lives often attain far more importance than we realised at the time. A few years after the end of WW2, a friend of my family in London received a visit from a man named Colin. Colin was a merchant seaman who had served in the New Zealand Navy. Some years later, he retired from the sea and lived with his wife and his mother in Mount Maunganui, a beautiful place on NZ's east coast. When we arrived in NZ, one weekend I drove my wife Sylvia and our two daughters to "The Mount" for a glorious weekend with Colin and his family. We knew no one else in New Zealand, but God had it all in His plan for us and the family visited us several times – we had friends in NZ already!

When we emigrated, I had transported my car which arrived in Auckland a few days after we did. I was thrilled to get my lovely Singer Gazelle back and drove to and from work in it. Not long after, I was shunted by a bus pulling away from its stop as I slowed for a zebra crossing. Thank goodness for Motor Insurance and God's protection as I was not injured.

Work started to take shape. As an IT consultant in the field of Life Assurance, I was assigned to a Government Department with Headquarters in New Zealand's capital city, Wellington, at the southern tip of North Island. Although we had settled into life in Auckland, after some six months of work in our Office, I had to fly to Wellington every week. Again, God was taking care of us in lots of ways. At weekends, we enjoyed warm Christian fellowship at a church close to where we lived, and I found the same loving fellowship at a Wellington church during the week.

In NZ we have a Government Department called the Accident Compensation Corporation (ACC) which, as its name implies, aims to pay the costs of accidents to those involved. Its first day of operation was April 1 1974 and, yes, you've guessed it! As a couple of colleagues and I were walking along the Wellington waterfront from our office to our hotel, I tried to jump over a low fence, skidded on some gravel and fell, breaking my leg. So, I was one of ACC's first customers! Wellington Hospital fixed my leg and it healed nicely. I was in God's care every second of the time.d

In England or in New Zealand, or wherever you are, do you know the wonder of His care? If you have asked God's Son to be your Saviour, you'll know this and so much more. I was in my mid 30's for the events I have described and now, many years later, I know where I will spend eternity; I know my sins are forgiven and I shall be re-united with my family and hundreds of friends. Do you have this certainty? If not, pray! Admit your need and ask God's Son, Jesus Christ into your life right now. Then you will have a certain future in time and eternity. Don't put it off.

# Shottesbrooke and White Waltham Charities

Clerk – Carolyn Thompson 07834 545967 carolynt52@icloud.com

## Shottesbrooke and White Waltham Welfare Fund

This fund was established by the Charities Commission in 1912 to help those living in the 'area of benefit' (the Civil Parishes of Shottesbrooke and White Waltham and the Ward of South Hurley).

**How we can help:** The Charity income may be used to help generally, or help individual people living in the 'area of benefit' who are in conditions of need, hardship or distress. It can do this by making grants of money or by providing or paying for items, services or facilities.

**Restrictions:** The trustees cannot help pay for rates, taxes or other public funds. However, it may use its funds to add to help that is already being provided out of public funds.

Each application for funding will be considered separately. Applications that are successful on one occasion may not be successful in future.

If you believe you would qualify for funding, please get in contact with the clerk by email (carolynt52@icloud.com) or telephone (07834 545967) and you will be contacted by your local Trustee.

*A letter of support will be required from a Social Worker, a Vicar/Priest, a Head Teacher, or another official body.*

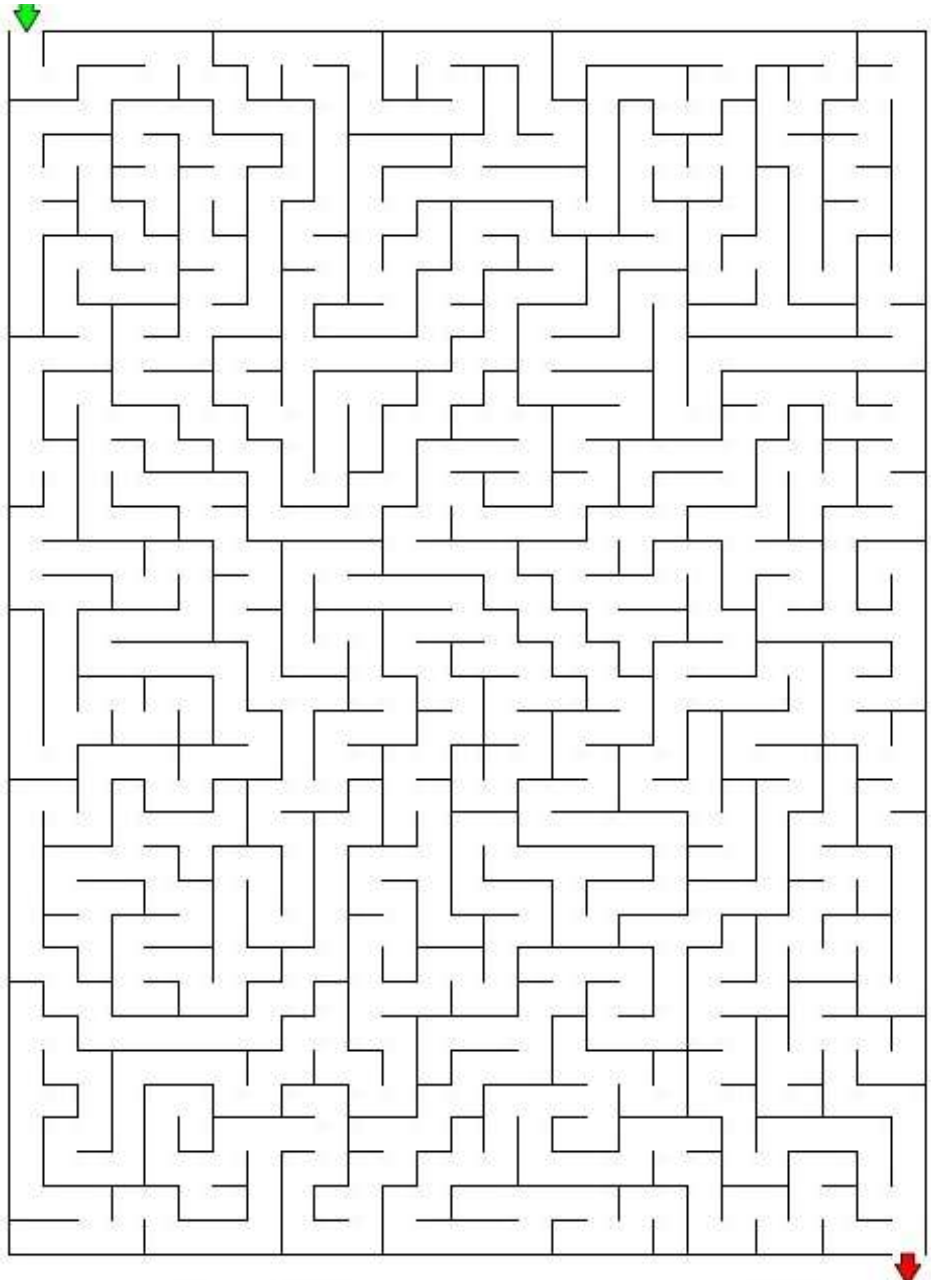

## Want some financial help with your education?

**Have you left school? Are you thinking of full-time training or education? (apprenticeship/College, university etc.) or are you already there?**

If you are under 25 and live in the civil parishes of Shottesbrooke or White Waltham, or the south ward of Hurley ... then the Duell and Hawes Educational Trust may be able to help you with a grant (*this includes areas within Knowl Hill, Warren Row, Littlewick Green, Woodlands Park and Paley Street*).

For further information on the areas covered and eligibility, please write to: Clerk to the Trustees, Carolyn Thompson, Spire View, Waltham Road, White Waltham, SL6 3SG or email: carolynt52@icloud.com for an application form

# News from your Borough Councillors

**Maureen Hunt**  
cllr.hunt@rbwm.gov.uk

**George Blundell**  
cllr.blundell@rbwm.gov.uk

We hope you all had a lovely and enjoyable Christmas and our best wishes for a healthy and happy new year.

All the Christmas decorations have long since been taken down – we had some wonderful displays across our Ward – and the children are back at school, no doubt looking forward to the half term break in February.

The council made provision for Christmas tree collections, and we hope you were able to take advantage of this.

## **Consultation on Budget**

You will note on the RBWM Residents News there is a Consultation on the Budget for Year 2025-2026.

The consultation is open until 23:59 on Sunday 1 February 2026 for residents and businesses in the borough, as well as people who study or work here, and also community and interest groups.

You are able to give your feedback by completing the online survey. If you don't have online access, you can ask for help from staff at your local library who will be able to help you access the survey. Printed copies are also available from the libraries upon request, or you can download a copy to print yourself.

Printed surveys can be posted to Budget Consultation, FAO Strategy, Policy and Performance team, Town Hall, St Ives Rd, Maidenhead, SL6 1RFor handed in at the Town Hall.

Please contact [budgetconsultation@RBWM.gov.uk](mailto:budgetconsultation@RBWM.gov.uk) if you have questions.

# BeActive

at Bodymanoeuvres with BeActivated123

**A revolutionary injury rehab and sports performance system that identifies the root causes of pain and dysfunction, restoring strength, balance, flexibility, resilience, and power.**

It wakes up those muscles in your body that have gone to sleep. This approach addresses existing issues and equips you with self-activation methods, giving you more control over your own health.

## What happens in a session?

- We test your muscles using a series of resistance and flexibility tests.
- Activation begins with helping the body to breathe correctly.
- We then run through the body's sequencing patterns, testing and activating muscles and structures so they can return to doing the job they should do.
- The result is a body with less stress which means that it will work more efficiently and effectively.

## Why choose BeActivated123 at Bodymanoeuvres?

Be-Activated is a system of muscle activation developed by South African physiotherapist and surfer, Douglas Heel.

- Anyone can benefit – from someone who wants to improve their golf or cycling performance, to elderly people who would like to be able to get out of a chair more easily. Activation is utilised by elite sports teams including England Rugby.
- It is a hands-on technique to activate your body in the correct sequence.
- The result is easier breathing, posture and movement, restoring your body's natural balance and strength.
