The Vicar's Letter

The Vicarage, Waltham Road
(corner of Foliejohn Way)
Woodlands Park
Tel. 07874 399411

Dear Friends of the Parish of White Waltham and Woodlands Park,

In our last vicar's letter, I talked about some parallels between the football world cup and taking part in the Christian faith. I worried that you may have got fed up with it before you read it. This time I may dare to mention political themes, with even more fear and trepidation!

It is not the place of a religious leader to tell you how to vote, but if we are people who follow Jesus, we should be looking honestly at the world, and seeking what Father God has to say about situations around us.

I've been thinking about the theme of 'community'. The Good News of Jesus takes us in two directions:

1. We are saved to God, forgiven and adopted as his children, by his will and actions in love for us. We could take this as a vertical direction.
2. We are also 'saved to each other', horizontally. The Lord God uses a number of different images to emphasise how the things that might separate us – age, ability, ethnicity and language – are overturned to bring us together. Father God draws us into a family, a building, a body, a community.

I mention this because it seems to me that across the world, we see leaders and parties with proud and selfish intent, often acting for the good of their country, or their social group – or themselves – without caring for others.

White Waltham

Sadly, we see this within our own country too. We want things and standards from our government and leaders, but maybe don't think how that will affect others, either now, or in the future. It will take courageous politicians to be honest and make the hard decisions about taxes and cuts to balance the books and care for the vulnerable, whilst at the mercy of our votes.

We also seem to see this in globalised business and developments. An emphasis on the need for speed and cheapness and choice for the consumer without always counting the real cost in terms of people, place and energy. And who will slow down the competitive development of AI and attention-demanding social media, to investigate the effects on our sense of humanity and the costs in workplaces and relationships?

In our fractured society, we need to hear afresh Jesus' call to us. We are offered the love of Trinity God that is beyond our understanding. A love that reaches low and raises high, wherever we are and whatever we are up to; a love seen supremely in the self-giving love of the cross of Christ. And we remain in this love as we obey his command to love each other; to do community, putting others first. We all need help and encouragement to do that, better and better.

If you have ideas how that might be put into practice locally to meet needs, then please do be in touch.

If this strikes you as unexpectedly relevant to our times, and/or you are curious to find out more of what Jesus says about all of life, and how He builds community, we run things such as the Identity Course on page 15 to help you find out more about the core beliefs and also to start to approach big questions about the world, relationships, suffering, and hope etc.

And you are welcome to join our community on a Sunday morning and other times, as we seek to obey Jesus, and walk in the way of love, together.

Woodlands Park Primary and Nursery School

*A place for everyone.
Together, we are inspired to grow,
learn and achieve.*

Children and staff alike have had a super start to the new academic year. The children have been outstanding on their return, demonstrating our school values and excellence in their work. We are looking forward this year to building on all the successes from last year.

We are pleased to have our Free Breakfast Club up and running. This is a government-funded scheme, open to all children in school from Reception to Year 6. The children have been enjoying coming in for breakfast and socialising with their friends before school.

We have now fully launched our updated vision at Woodlands Park School. Last year the staff, children, parents and governors were all invited to contribute to the development of the school vision. Our vision is, 'Personal Success, Healthy Minds and Healthy Bodies and Joyful Moments'. Our website gives more information about this. This vision represents our ambitions for the school and what we want for the children here.

We are running several school tours for prospective parents over the coming months. Look out for our flyers and posters. If you would like to come and visit the school, please contact the school office.

We are looking forward to lots of events this year. We will soon be visiting the church for our Harvest service, where we will deliver our food contributions for the food bank. We are lucky to have such a beautiful walk to such a beautiful church, particularly at this time of year, and we all enjoy this event.

We are thinking about all the children who were in Year 6 last year and we are hoping that they are settling into their secondary schools. We hope to hear about how they are getting on and look forward to some of them popping in to see us, so we can hear all about it.

We will enjoy the autumnal colours and jumping around in autumn leaves as the season changes and Christmas will be here before we know it!

Best wishes

White Waltham C of E Academy

We have had a fantastic start to the new academic year, with the children returning enthusiastic, engaged, and ready for an exciting year ahead.

We began the year with immersion days for our new topics. Foundation have been learning **'All About Me'**, getting to know one another and exploring our school grounds. Years 1 and 2 have been immersing themselves in life **'Beside the Seaside'**, learning about holidays in the Victorian era before imagining what a holiday might look like 100 years from now. They thoroughly enjoyed taking part in a seaside workshop with *History on a Page*, with the Punch and Judy show proving to be a particular highlight.

Years 3 and 4 have begun their topic, **'Beneath the Surface'**. In history, the children will learn about the destruction of Pompeii in AD 79 following the eruption of Mount Vesuvius. They will plot the events of the eruption on a timeline and explore what the remarkably well-preserved ruins can teach us about Roman life. The children will also study the Roman invasion of Britain and investigate the impact the Romans had on Britain, including the development of roads, aqueducts and writing systems. We are also looking forward to a visit to Verulamium in St Albans to further enrich their learning.

Years 5 and 6 are learning about **'The World at War'**. They will enjoy a trip to Blenheim Palace to learn more about Winston Churchill and further develop their understanding through their residential visit to Hooke Court. The children will learn about the countries and leaders involved on both sides of the conflict and explore the causes and consequences of the Second World War. They will also investigate how life on the Home Front changed during the war, including the Blitz, evacuation, rationing and the Dig for Victory campaign.

(continued over)

We have many other exciting events planned for the Autumn Term, including Jeans for Genes Day, the Macmillan Coffee Morning, our residential trip, and our Harvest and Christmas services at St Mary's Church.

We will be holding open days for prospective families on **Tuesday 13th October at 9.30am** and **Wednesday 18th November at 1.30pm**. We would love the opportunity to showcase our wonderful school, so please do share this information with anyone who may be interested.

If you would like to attend one of these visits, please contact the school office. Alternatively, if you are unable to make these dates but would like to visit the school during the school day, please do not hesitate to get in touch with us.

BeActive

at Bodymanoeuvres with BeActivated123

A revolutionary injury rehab and sports performance system that identifies the root causes of pain and dysfunction, restoring strength, balance, flexibility, resilience, and power.

It wakes up those muscles in your body that have gone to sleep. This approach addresses existing issues and equips you with self-activation methods, giving you more control over your own health.

What happens in a session?

- We test your muscles using a series of resistance and flexibility tests.
- Activation begins with helping the body to breathe correctly.
- We then run through the body's sequencing patterns, testing and activating muscles and structures so they can return to doing the job they should do.
- The result is a body with less stress which means that it will work more efficiently and effectively.

Why choose BeActivated123 at Bodymanoeuvres?

Be-Activated is a system of muscle activation developed by South African physiotherapist and surfer, Douglas Heel.

- Anyone can benefit – from someone who wants to improve their golf or cycling performance, to elderly people who would like to be able to get out of a chair more easily. Activation is utilised by elite sports teams including England Rugby.
- It is a hands-on technique to activate your body in the correct sequence.
- The result is easier breathing, posture and movement, restoring your body's natural balance and strength.

Our activities continue in autumn! As I write this, I'm remembering fondly the visit we had to a lovely garden in Little Marlow on 1st August, with beautiful weather and a delicious tea. At the beginning of September, we had a very successful workshop where we were tasked to create a "vertical arrangement" – enjoyed by everyone.

Here are some more dates for your diary, taking us up to the end of the year:

Saturday 26th September – decorate the church for Harvest Festival.

Saturday 17th October – craft demonstration and workshop

Saturday 7th November – Christmas Fundraiser & workshop, details tbc

Saturday 28th November – Christmas wreath workshop

Saturday 12th December – decorate the church for Christmas

All activities start at 10am. Demonstrations and workshops are held at The Tree House.

Details of our activities are always in the magazine, or contact one of us on the numbers below for more information.

White Waltham Cricket Club

Est 1879 and still representing the village today!

The 2026 league cricket season is over – one that will certainly be memorable for the weather, but also some outstanding team and individual performances. Without a doubt one of the highlights of the year was the teams progression to the last 32 of the National Village Knockout competition, winning the Berkshire & South Oxfordshire region for the first time in our history.

The 1XI also enjoyed a spectacular debut season in Division 2, the highest standard we have played. Noah Edwards, our Australian player was in fine form all year, taking 38 wickets and leading the way in the entire league this year. The 1XI will be looking to build upon their excellent finish next year.

Thames Valley Cricket League

7	Hounslow & Whitton 2XI	239
8	Pinkneys Green 1XI	212
9	Yateley 1XI	204
10	Royal Ascot 2XI	161

The 2XI also had a great year having been promoted to the highest standard they'd played too. Both Umar Butt and Adil Pervaiz shone with the bat, scoring over 500 runs apiece to top the charts. Again, having comfortably stayed up this year, the team will be looking to push on into 2027.

Games continue until the end of September and we look forward to the annual White Waltham v. Waltham St Lawrence T20 game (at Waltham St Lawrence this year) – good luck to the villagers playing in that!

Thanks for following along again this year!

Many thanks

THE IDENTITY COURSE

Seven Monday evenings, 7:30pm at The Vicarage
beginning 28th September, continuing into November

IDENTITY

Who is God? Who are we?

www.identitycourse.com

Spending just over an hour, using videos and discussion, we will look together at the **Gospel of John** to clear up confusion about who we are, and who God is. Each session also addresses a popular question such as: Are Christianity and science enemies? What about other religions? Why do we suffer?

If any of that sounds interesting but the timing is difficult, please be in touch and suggest an alternative.

You don't need to know anything about the Bible.

You won't need to pray or sing or read aloud.

You can ask any question you want, or just listen.

The first session works as a taster without committing yourself.

IT'S OFFICIAL!

The church was the coolest place to be this summer!

We opened the church on Friday mornings throughout July and August to give visitors and passersby some respite from the heat. Several people crossed our threshold to keep cool and appreciate the quiet and the history of the building. Some regular members of our congregation also came in for a chat and to enjoy a cup of coffee, one even bought her crocheting!

My thanks go to all who visited and especially Sally who helped me with many tasks during this time of opening and to Richard who stood in for me when I went on holiday.

Please contact me, Liz Atlay 07881 785131, if you would ever like to visit the church, bearing in mind that the church will get even cooler over the next few months!

Groups for Men and for Women at White Waltham Church

Men's Walk, Talk and Breakfast

On Saturday 4th July, 10 or so of the men of White Waltham Church met up for their inaugural '**Men's Walk, Talk and Breakfast**'. The morning was carefully designed to do just enough walking to justify the Full English Breakfast that followed (other breakfasts were available!), interspersed with chat and a thought-provoking look at a short Bible passage.

'It was a really good opportunity to get to know some of the other men from church. I felt refreshed by the nice walk, great people and the Bible passage – it was well worth the early(ish) start on a Saturday morning!'

For details of the next Men's Walk, Talk and Breakfast, email Dave at dave.atallah@stmaryswhitewaltham.org.uk

Women of White Waltham Church (WoW)

We received an open invitation to come along to a get-together at Thames Hospice café on the Windsor Road. Some of us met up earlier and had a beautiful early morning stroll around Bray Lake beforehand, building up an appetite for a light breakfast from the selection offered at the Hospice Café (as above, other breakfasts are available – including Full English!). Others joined us at various times as we sat outside in the lovely August sunshine, cuppa in hand, chatting about all sorts of things and sharing what's going on in our lives.

Existing friendships were deepened, and new friendships forged. It was a really great way to spend some time on a Saturday morning, with people coming and going as their time allowed.

We're looking forward to our next gathering again soon. If you'd like to join us, please email Sally at office@stmaryswhitewaltham.org.uk

Suffering pain or sadness or fear or guilt about the death of a loved one, or facing your own?

You don't have to be on your own. We don't have all the answers, but we know the one who offers peace and hope and would love to come alongside you on any part of your journey.

We also invite you to our Remembrance and Thanksgiving Service – Sunday 8th November at 6.30pm – for all who have lost a loved one.

This quiet, reflective service provides the opportunity for us to remember those we have loved and lost, and to give thanks for all that they did for us while discovering the difference that Jesus makes.

A Scammer in the Works!

Dear Mr. Packer,

I work as an external auditor for the Bank of Singapore. I am contacting you following a web search using a deceased surname. I discovered an investment account that had been dormant for twelve years, all belonging to a single account holder and totalling a little over 10.5 million U.S. dollars... This underscores my reason for writing to you. The British investor Anthony Packer died in 1996 when the account was last used. I can confirm that he died with no one to inherit his estate.

I am sure that using my insider leverage, working with you, these funds can be secured for us, thus I crave your participation. You will be handsomely rewarded... I therefore expect a prompt response.

Yours truly...

The foregoing, clearly a 'scam', is a summary of a letter I received. Money appears to provide security and an unexpected inheritance is welcomed.

A more reliable and lasting security is obtained from Jesus' offer of '...an inheritance that can never perish, spoil or fade, kept in heaven for you'. (1 Peter 1:4) through his resurrection from the dead. We lay claim to it by simply asking '...everyone who asks receives; he who seeks will find; to him who knocks, the door will be opened' (Luke 11:9-10). All this is difficult to grasp: heaven? a permanent inheritance? It seems too good to be true, but read your Bible as a beneficiary. You can trust Jesus.

Cars

I admit that I know very little about cars!

I read in the paper sometimes of how car owners have misused their cars and become a danger to others by the way they drive or abuse their vehicles. I know that government regulations require me to have an annual MOT test, to pay my road fund licence each year and that I need to be insured. I can deal with flat tyres, and filling up with petrol or diesel.

But when it comes to strange noises, loss of power or failed windscreen wipers, I know that keeping the mechanics of a car in good order requires special care. Most of the problems on a car these days seems to be flashed up on the driver's screen, as cars seem to be computers on wheels! So, this is where my garage comes in, with an annual service for me.

Many years ago, I was anxious to get to a meeting on time. I knew that my petrol tank was in need of a top up. I was driving along the outside lane of the dual carriageway near Banstead, Surrey. The car started to splutter so I quickly pulled onto the inside lane and then into a lay-by. I was completely out of petrol! My annual service was no good at this point as I had no fuel to drive the engine. I never arrived at my meeting....

This picture got me thinking. The human body can be fully tuned, fit and healthy, totally ready for any emergency, but our bodies need fuel. Very often we balance our diets with the right intake of food and liquid and this plan may keep us going for many years.

There is one thing we often neglect though. That is the spiritual dimension of our lives. We need that special fuel, just like a car needs petrol, diesel or an electric charge.

When did you last fill up your car so that it started when you needed to go on your journey?

When did you last think about God, his special care and your journey of life ?

We all need that power to give us spiritual fuel to go in the right direction. Why not come along to church to find out more about Jesus and his power fuel ?

All of Life

Something to celebrate and give thanks for?

We love to praise God for the good things in life. Do get in touch if you would like to celebrate something or explore what it means to give thanks.

We love to celebrate weddings, blessings, and anniversaries.

Or maybe you are suffering pain or sadness or fear or guilt about relationships, work, retirement, family life.

You don't have to be on your own. We don't have all the answers, but we know the one who offers peace and hope and would love to come alongside you on any part of your journey.

Or maybe you have questions, or you are reflecting on your life and loves and want to explore the idea of a loving Father God and Jesus who came into the world for you.

Do feel very welcome to come along any Sunday to church, or to the Identity Course this autumn (*see page 15 for details*). We are all at different stages of a life of faith. Or be in touch for a chat with no pressure or expectations.

Our Remembrance Sunday Service collections will be shared between **Combat Stress** and **SASRA**

Combat Stress is the UK's leading veterans' mental health charity, providing free specialist clinical treatment and support for former servicemen and women. Their work focuses on complex trauma conditions including Post-Traumatic Stress Disorder (PTSD), Complex-PTSD, and moral injury.

The **Soldiers' and Airmen's Scripture Readers Association (SASRA)** is a faith-based charity that provides Christian ministry, spiritual support, and personal engagement to members of the British Army and Royal Air Force. They work alongside military chaplains and welfare teams to support individual service personnel and their families, helping them to navigate the unique moral and physical pressures of military life.

*If you would like to support the work of one or other of these two charities, you are invited to make a donation at one of our services on Sunday 8th November. You can do this by placing cash on the plate provided, by scanning the QR code with your smartphone, or by using a credit or debit card to make a donation using our card reader. **All gifts received on Sunday 8th November will be given to these two charities.***

Tales from the Bells

f White Waltham Bell Ringing

Well, that was one hot summer!

The heat affects the bells because of wood drying. Wood?, I hear you ask. The wooden parts are in the belfry. There are other parts in the belfry which are included such as the bell, headstock and which are made from metal, the pulleys are made of plastic and ropes are of course rope though the sallies have a material similar to wool or perhaps a hard-wearing wool.

This summer we received an email from the Tower and Belfries committee, Oxford Diocesan Guild advising tower captains and steeple keeper to do a check on the wooden parts. So, we carried out the check. It was quite some surprise how much the extremely hot weather had affected the wooden parts, this includes the wheel, which is where the rope goes on to. Next is the stay, which is what keeps the bell in the 'Up' position so that the bell is ready for ringing. And then there is the slider and slider board which is also part of keeping the bell in the 'Up' position. And, last but not least, there's the pulley block which guide the rope as it goes around the wheel. Our steeple keeper found that the sliders were ok on all six bells. But the stays were definitely in need of tightening up, and also the wheels. This took some time to do.

While we were up there, we had a nice surprise. A new ringer has joined us. He is someone who has returned to ringing. It has been at least 40 years since he rang, so he doesn't need to be taught how to ring. He just needed time to get used to ringing a bell again, which didn't take very long.

This means that we now have 7 ringers at our tower. And we will always welcome more beginners or returning ringers. If you are interested email us on whitewalthambells@gmail.com

Chimes for Special Times

Would you like to celebrate a birthday, wedding, anniversary, or honour a memory in a unique way?

At White Waltham Church we can dedicate the ringing of the bells for a Sunday Service to particular people and occasions:

Birthdays

Anniversaries

In memory of a loved one

Achievements

New arrivals

Or just to say 'thank you'

Your dedication will be read during the Sunday Service on your chosen date and, with your permissions, we'll also share it in the Parish Magazine and Church Missive.

Suggested minimum donation £20

All proceeds will go to the upkeep of our bells at White Waltham Church

My Story (part 10)

Totally unexpectedly, I was again a married man and so we returned from our honeymoon in Wales. Liz settled into life with new neighbours and I into a new job, then in Maidenhead, where I worked for the next few years.

In the flats where we lived, we met a couple who had lived around Maidenhead for years. They were wanting to sell a property in Woodlands Park and were we interested? We went to see the place and liked it at once. To cut the story short, we bought the house and quickly settled in. But, as Christians, we needed to find a church. We had tried a few in Maidenhead itself and then I visited St Mary's, White Waltham – it was a Confirmation service, and the following Sunday the Vicar spoke to me and apologised for not doing so the previous week as he had assumed I was a visitor, related to one of the folk being Confirmed. Suffice to say, we made St Mary's, White Waltham, our home church.

Liz set up a business, caring for local dogs while their owners were at work and this flourished. I would take dogs to the local park and exercise them and Liz would take them on walks too. My office moved to Sandhurst, so I had quite a drive each day.

Sometime later, I was asked to go to Dublin again, just for a few weeks. As we were getting ready to go to Dublin, the Vicar asked me if I would accept the role of Churchwarden, Although I had precious little idea what would be involved, I accepted and then the Vicar told me he was retiring! Tony Hill, the other Churchwarden, and I worked together until my time back in the UK was coming to an end, as I was about to retire. The Vicar asked me if I would give a farewell talk from the pulpit before we left and with much trepidation, I did.

Farewell UK, hello again New Zealand. Liz and I flew back, but where would we live? During our stay in the UK, we had two or three trips to NZ and on one of these, Liz met a special friend who used to be a carer for her parents in Devon and who now lived in Dunedin. Liz was understandably keen not to live in Wellington and so we flew to Dunedin and, cutting the story short, we bought the home we now live in.

Dunedin is quite unlike the three larger NZ cities, much less busy and it has great character, The Railway Station, opposite, is just one such example.

Again, we needed a church to belong to. We soon found one within walking distance of the house we'd bought! But things don't stay the same: the Pastor decided the building was about to collapse into a large hole; he decided to sell and move on! An existing church pastor checked the building out and decided it was NOT about to collapse and so bought and refurbished it. It is now a thriving church, almost bursting at the seams! God blesses us every time we meet.

I shall try and write another and the final episode for the next Parish Mag. God bless everyone who reads this!

LOCAL YOUNG PEOPLE

Are you about to enter an apprenticeship or further education, or have you already started your journey?
Are you under 25?
Are you live in the parishes of Shottesbrooke, White Waltham or South Ward Hurley?

If the answer to all of these is YES then you might be eligible for a grant to help fund your educational needs.

The Duell and Hawes Advancement in Life Trust (Charity Commission Reg 307973) provides grants for young people who are living in areas within Knowl Hill, Warren Row, Littlewick Green, White Waltham and Woodlands Park and are preparing to enter work, to help them with necessary expenses.

If you think that you may qualify, please contact the Clerk to the Trustees, Carolyn Thompson, at Spire View, Waltham Road, White Waltham, SL6 3SG or by email at carolynt52@icloud.com for an application form and more information.

We look forward to hearing from you.

Shottesbrooke and White Waltham Welfare Fund

SUPPORTING OUR LOCAL COMMUNITY

Times are hard and we all need help occasionally

The Shottesbrooke and White Waltham Welfare Fund may be able to help if you're finding it hard to manage. This fund was established by the Charities Commission in 1912 to help those living in the Civil Parishes of Shottesbrooke and White Waltham and the Ward of South Hurley. This covers areas within Knowl Hill, Warren Row, Littlewick Green, White Waltham and Woodlands Park.

How we can help:

The Charity was set up to help generally, or help individual people living in these areas who are in conditions of need, hardship or distress. It does this by making grants of money or by providing or paying for items, services or facilities. It cannot make payments for council tax, taxes or other public funds. However, it may use its funds to add to help that is already being provided out of public funds.

Support required:

We will ask for proof of need which we will discuss with you and a letter of support from one of the following, a social worker, a vicar, a head teacher or other official body.

Confidential:

Each application is treated in the strictest confidence.

Get in touch:

07834 545967

News from your Borough Councillors

Maureen Hunt
cllr.hunt@rbwm.gov.uk

George Blundell
cllr.blundell@rbwm.gov.uk

What a hot dry summer we have had and most of us without air conditioning in our homes. There is no air conditioning in the Council Chamber either. We hope you all found time to enjoy the sun and the energy to water the flowers with your watering can.

For those interested in planning, there has recently been an updated National Planning Policy Framework (NPPF) – August 2026.

Locally, we were made aware of HGV's accessing a site in Paley Street. Your councillors contacted Enforcement Officers, who informed us they had carried out a site visit. Planning permission for agricultural barns was granted and the materials delivered was limestone for the bases of the barns.

Many will be aware of the consultation which opened on 30th July and closed 13th September to Help Shape the Future of the Royal Borough.

The Council is preparing a new local plan, called the Development Plan for the Royal Borough of Windsor & Maidenhead. This Plan will guide how the Borough grows and changes over the next 20 years. Bearing in mind the government have now increased the amount of housing required from 712 dwellings per year to 1407 dwellings per year – there has been a 'call for sites' which ended 13th September. We wait and see on that one.

One of our councillors recently died. Cllr Leo Walters was a councillor for Bray and a huge supporter of the Green Belt. He had served as a Conservative councillor for over 50 years and will be a huge loss to the Council and to Bray. He sat on the Planning Committee throughout all those years and will be replaced on that committee by Cllr Cross – also from Bray and also a huge supporter of Green Belt. Hurley and Walthams Ward has 92% Green Belt.

(continued over)

Now the schools have started after the summer holidays, concern has been raised for the cars parked for dropping off and collecting children, on the roadside near the school in White Waltham. This causes traffic jams in the village and we would ask parents to please consider not parking on the Waltham Road.

There are a number of schemes to help with council tax, childcare and school meals, debt support, food banks and donation points. Go to the council's website: www.rbwm.gov.uk and scroll down the first page – Here to Help.

With our best wishes and please remember we are here to help you should you need.

George and Maureen,

George Blundell and Maureen Hunt
